### **About Tijuana Flats**

Established in 1995 in Winter Park, Fla., Tijuana Flats is a unique, fast-casual Tex-Mex dining experience featuring superior guest service and fresh, made-to-order food. Tijuana Flats has over 60 locations in Florida, Indiana, North Carolina, Pennsylvania and Virginia. The restaurants are typically found in high-traffic areas and average 2,200 square feet.

Since the restaurant first opened its doors in 1995, Tijuana Flats has used zero trans-fatty acids (TFA) cooking oils, 100 percent hormone free, white meat chicken, fresh produce and all of its menu items have been lard free. Tijuana Flats also offers many gluten free options. Customers can choose from flour or whole-wheat tortillas for any of their tacos, burritos, quesadillas, chimichangas and flautas. This restaurant also has a popular “Power Lite” selection, which allows customers to choose low-fat cheese and fat-free sour cream in any menu item. There is no charge for selecting a whole-wheat tortilla or Power-Lite.

Known worldwide for their own brand of hot sauces, Tijuana Flats Hot Foods Inc., a separate company, provides the restaurants’ specialty products, hot sauces and condiments, including one of the hottest sauces in the world, Smack My Ass and Call Me Sally...“Going Postal.” For more information about Tijuana Flats, including menus and locations, visit [www.tijuanafats.com](http://www.tijuanafats.com).
